CALENDAR OF UPCOMING EVENTS

July 5-9 International Convention Milan, Italy

July 13 Pancake Breakfast

July 14 -20 Camp Leo

July 27 First Session Learning Academy

Aug 18 Zone Meeting Picnic

MAY/JUNE HIGHLIGHTS

Serve Through Diversity

When we think of diversity race and gender of members usually come to mind. While these are important to Lions, diversity can be applied to many areas of Lionism. Diversity also should apply to those we serve, how we serve, and when we serve, as well as though who serve. With this in mind, let's review our year in Lionism.

BEAUFORT LIONS CLUB

This year our club raised approximately $5800, donated $5650 to 12 different organizations or individuals. In addition, we have purchased 20 pairs of glasses and 2 pairs of hearing aids. There are also several approved applications awaiting eye exams.

We, as a club, have established a "Help Your Neighbor" Fund from our own pockets, fully aware there are needs not covered by the Club's mission.

Our club has collected and donated 2313 pairs of glasses, 35 hearing aids, and 35 cell phones.

As Lions, we have worked more than 700 hours of service to help over 8000 people. These numbers are estimates as many hours go unreported, and some reported hours were lost when My Lion was reformatted.

We have increased public awareness through booths at the Port Royal Farmers Market and Beaufort Waterfront Park. Our web page is continuously updated and our Facebook page posts daily.

While these numbers are awesome, we continue to strive to better them. They do nothing to show our members hearts and desire to help others.

Where there is a need there is a Lion.
